DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

Regarding claims 6, 17 and 18, the prior art fails to teach a combination of the steps of:

sampling a digital signal provided by a digital signal processor, said digital signal being operatively coupled to an input of said first transmitter; and

performing a second echo cancellation based on said digital signal, wherein said second echo cancellation further cancels the echo signals conveyed by said echo channel, in the specific combination as recited in the claims.

Regarding claims 16 and 19, the prior art fails to teach a combination of the steps of:

a second echo canceler having an input signal and an output signal, wherein said input signal of said second echo canceler is operatively coupled to an input of said transmitter, said output signal of said second echo canceler is representative of said echo signals, and wherein said second echo canceler is further operative to cancel the echo signal represent in said digital communication system, in the specific combination as recited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Toan D Nguyen whose telephone number is 571-272-3153. The examiner can normally be reached on M-F (7:00AM-4:30PM).
